Rick,
Sorry I missed your call. I should have told you to call my cell. I was at MCFA all day.
Tried your office number but I think you were on your way out.
Enjoy the rest of your week and we can catch up next week.

Thanks
Joe

About to board a flight back to DC. I can try to call you when I land. I have an all day/off-site personnel meeting tomorrow and will be off the grid on Friday to pick up kids from college.

Thanks
